Certificate of Non-Biotechnology

The undersigned, managing director Pieter Storm, declares that all varieties delivered by Agro Seed Service :

1. have been developed in accordance with the conventional improvement techniques without making use of genetic modification technology.
2. have been produced in a natural environment, taking all possible precautions to prevent mixing with biotech material.

If we are going to test or introduce in trade varieties that can be considered genetically modified varieties in the future, we will announce it.

Managing Director,

Pieter Storm
